1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO will disclose patent applications on its merits from the date of claimed filing date. The USPTO will delay the publication of a patent application made available to a defense agency under 35 USC 481 until no earlier than 6 months from the filing date or 90 days from the date referred to the agency. This application will be delayed for publication 6 months from the filing date or 90 days from the date of "Data Reported" with relevant data, unless a response is provided to the USPTO regarding the need for recommendations to the imposition of "assured order".
